DSMS has excellent infrastructure to act as an Incubation hub at Durgapur (which is the industrial belt and education hub of West Bengal and located very close to Kolkata). DSMS College has emerged as a knowledge centre for carrying out teaching, research, training and mentoring activities for micro, small and medium enterprises. It envisions acting as an Incubation hub to liaison with world class educational institutes to support various business ideas and innovation. DSMS is highly committed to serve the society at large especially the emerging sectors like Tourism and Hospitality, Health Care and Micro, Small and Medium Enterprises who are the real growth drivers of Indian Economy.

Introduction

Global business environment is becoming more challenging and complex and is witnessing radical changes in terms of intensity and pace which are distinguished by uncertainty and volatility. The need of the hour is to bring changes in vision, thinking and management practices. Success will depend on how well businesses responds to the global challenges, analyse the problems, identify ways to attend them and implement suitable solutions. This approach can lead to exploration of new opportunities for growth. Change is the only constant which is inevitable in today's business scenario for growth and sustainability and businesses are expected to make a well-timed transition towards a sustainable society. In this background, this international business research conference focuses on the theme "Transformation Opportunities and Sustainability Challenges in Management, Technology, Healthcare and Tourism".

About the International Business Research Conference

The International Business Research Conference 2019 aims to provide broad coverage and dissemination of foundational research, where participants will have opportunities to present and publish their original research papers, articles and case studies, exchange their views and also to network in the forum. Research papers can be developed based on primary as well as secondary data.

Call for Research Papers

DSMS College, Durgapur, invites academicians, research scholars, consultants and management practitioners to submit original, unpublished papers and case studies in all the areas of business management, education, social issues, technology, healthcare, tourism and hospitality.

Student Research Paper Submission

The competition is open to all students pursuing graduation and post-graduation in any stream. The student-awardees will present their papers during the Conference. Students can also convert their projects to research papers, provided the faculty or industry guide is one of the authors.

Tracks

The proposed tracks for the business research conference are mentioned below. Authors may submit their paper with a track request; however, DSMS may change or merge tracks based on the number of papers received.

Tracks
